注意事項：

1. 外盤採鍍層處理，不會減少煞車效果，會因不同種類來令片消耗、暴露環境或氣候因素等原因而產生變化或褪色，但功能並不受影響，請消費者安心使用。
2. 外盤面加工之造型溝槽會有粉層堆積，請依情況定期清潔，以達行車安全。

Notice:

1. The rotor with titanium treatment, which would not reduce the braking performance.
The surface color might be changed depending on different types of brake pad abrasion, exposed environment and climatic factors, but the function will not be affected.
2. The rotor with trench lines that will make dust accumulation.
Please check and clean it regularly to ensure the safety while riding.
